ABOUT...

The mission of the Columbus Caribbean Festival is to bring the culture and heritage of the Caribbean to Central Ohio. Over the years we have witnessed many cultures being celebrated through festivals and events. However, there is a void of celebrations within the Caribbean community in Central Ohio.

The Caribbean islands are top vacation destinations for millions of tourists each year. Boosting the beautiful tranquility of the islands, delicious cuisine and the mesmerizing music.

Founded in 2017 by Celebrity Style Events and Abba Music Group, the 1st Annual Columbus Caribbean Festival will bring together thousands from across the Midwest to celebrate over this one day festival with live music, Caribbean food vendors and contests.

Benefiting charity

Part of the proceeds of The Columbus Caribbean Festival is benefiting Extraordinary Gentlemen Jr's Academy which is a 501(c)3. The Extraordinary Gentlemen Jr's Academy mission is To educate, inspire, and enable young men to operate in the confidence of a gentleman while embracing their ability to serve and empower their family, friends, and communities..

The Columbus Caribbean Festival will be working with The Extraordinary Gentlemen Jr's Academy to provide unprivileged children with school supplies needed to further their education.

These supplies will be distributed in Columbus, Ohio and the countries of Barbados, Congo, Haiti and Jamaica.
